The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved, rejected, amended or modified by concurrent resolution in accordance with Section 67-5224 and 67-5291, Idaho Code. The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

Since its inception in 2003, the transportation program has not been used by a significant number of wheelchair confined veterans because few providers have participated. The current program requires that transportation providers enter into an agreement with the Division of Veterans Services prior to the veteran using the provider and makes the provider responsible for seeking reimbursement for the transportation from the Division of Veterans Services. The proposed program would allow the veteran to receive a voucher for transportation and to use any private provider for the transportation. The veteran would be responsible for submitting the costs of transportation for reimbursement by the Division of Veterans Services. All other safeguards built into the program will remain. This rulemaking will revise the rules to encourage use of the program by providing direct reimbursement to wheelchair confined veterans who use a private provider for transportation to medical appointments.
